Umpiring

Once again we had all umpiring go smoothly thanks to all your great efforts, there were no new girls on this week. Every one received some coaching/support I hope this was helpful for everyone. A special mention to Alex and Alayna who umpired a 14B game this week, both of them did an excellent job and had the support from Julie Fyffe (a National C umpire). Sofie Parle received a Green Achievement Award this week, congratulations Sofie for fantastic umpiring. Thanks to all the girls for a great job this week, Sofie Parle, Emily Sedgman, Tegan McNeil, Teigan Barry, Eliza Fuger, Alayna Argent, Alexandra Anson, Jessica Lofts and Emily Fender, also Kristin Parle and Sarah Carmen who provided some coaching this week.

Is there anyone who is interested in umpiring an extra game this Saturday, North Rocks has offered Gazelles some extra games which they can't fill, so if anyone would like a game, there are six up for grabs of different grades all at 10am. Please let me know ASAP so I can advise North Rocks.

Rule books for 2008 are now available for \$12 at The Sydney Netball Shop in Castle Hill (Anela Avenue)

Umpiring Tip of the Week.

'If the whistle for an interval or "time" is blown after a Penalty Pass or Shot has been awarded in the Goal Circle the Penalty Pass or Shot shall be taken and scored as a goal if successful.'

GAZELLES NETBALL WEEKLY TEAM RESULTS - Week 2, 3rd May 2008

Team no. *MUST* be included when writing or sending reports

TEAM	DIVISION	VERSUS	SCORE		COMMENT
1	A1				
2	B1	BYE			The B1 team had a bye last week so that's 2 points to us!
3	B4				
4	B3	Castle Hill Sport	35	33	Fantastic to report a win for our side. Every player that took the court added value to our game. We are making progress in our state of play and look forward to bigger winning margins in our upcoming games. Fantastic centre court improvement and great goal shooting displayed on the day. We had too many great moments to single out one star player. Well done team.
5	C1				
6	B Res 1				
7	C Res 3				
8	15B	Glenhaven	38	33	
9	14A	BYE			
10	14B	OLOL	27	28	What a fantastic and exciting game. Every quarter was a close one and the final result could have easily gone our way. All the girls played their hardest and never gave up fighting for that elusive win. An outstanding game by our defence Ashley and Morgan. The shooters, Rebecca, Tegan and Emily were spot on and our centre court players Alyssa, Briony and Nicole gave 110%. Well done girls. A win is definitely on the way if you keep up that performance!
11	14B		9	32	Great game girls, shame about the second half, but you all played really well! You worked together as a team, and it seems things from training have finally started to sink in. We now need to focus on our footwork, and making sure we are balanced before throwing the ball. We also need to make stronger drives and harder passes; we are giving the opposition too much opportunity! Let's have an even better game next week!
12	14D	OLOR	18	12	It was a nerve racking fourth quarter, with one player down and the other team becoming a bit aggressive, but each of the girls kept up their defence and played exceptionally well, while still enjoying themselves. Thanks girls for all the effort, your playing really well.
13	13D				
TEAM	DIVISION	VERSUS	SCORE		COMMENT
14	11B	Winston Hills	18	10	Great game girls! You kept us in suspense right up to the last quarter. Courtney and Miren, great team work and nice scoring. Anna, nice work on centre court today, although which way is the game played? Oeps! Maria congratulations on your first game and welcome back. You worked well as a team today and the win was well deserved, keep it up girls.
15	10B	Glenhaven	22	13	What a fantastic game! It was fast and it was tough. You all played well and didn't back off. You moved the ball down the court well, moving into spaces and spreading out. Jordan and Sophie played brilliantly in defence intercepting and containing their opposition. Elysia was quick to pick up the loose balls. In the fourth quarter our passing let us down and they took advantage of this by scoring 3 fast goals. Stevie, Ella and Georgia worked hard in the circle and scored some amazing goals. As always Keira and Jess were great in the centre court.

16	10C	Tangara	1	6	You started off well girls. Our first half was good, but we allowed them to get away from us in the second half. We need to concentrate on moving into a space and stronger passes.
17	9 Koalas				
18	8 yo	OLOR	6	5	Well done. You are beginning to pass the ball down the court by moving into spaces and not standing still in a bunch. Jamie and I are very proud of you. We need to learn to break in front of our players and run into the circle so that we can shoot lots of goals. Brooke had a good game as centre and Laura, Natasha and Alicia played well in defence. Gabby scored her First Ever Goal and Lara and Breanna saved the day with 4 goals in the last quarter.
19	8 yo	Glenwood	8	1	Gazelle 19s had another successful match on Saturday, winning 8 to 1 against Glenwood 34. Once again the team played really well together.
20	7 yo		1	3	Another fun game and we scored our first goal for the season - well done Emmalise! Everyone tried SO hard and we are getting better every week - keep smiling girls! This week's gold 'Star of the Week' trophy went to Sarah, and silver trophy to Emma.
