2	B1	North Rocks	35	40	A very physical game played hard by both teams. We had this teams measure for most of the game but they turned up the defence effort and were able take the win. We managed to come within 1 goal in the last few minutes of the game but North Rocks showed us why they won their grade last year. Thanks to Belinda and Sam from B3's for helping us out this week, you guys played your butts off and were awesome. Thanks! We all send our best wishes to Sandy, hope the mesh holds and we look forward to seeing you on the sideline soon!

4	B3	Oakhill Drive 1	26	36	Team put in a great effort all round. We are working on our stamina to last the full four quarters and our training looks to be paying dividends. We were up in the first quarter so we have the potential to give them a run for their money. Nice effort ladies.

8	15B		41	15	Big Effort girls! So far, so good... Some great plays, you all work really well together! Impressive defence. Well done on another strong win.
9	14A	Impalas	defeated		Sorry Girls didn't get the final score and I know we pulled back a few goals in the last quarter. Another tough game. There was some really good runs of play again. Hopefully we'll get a chance to try a few more next week. A big pat on the back for Caitlin who put in a huge effort against a shooter who is 6ft.5in. Caitlin managed to force quite a few turnovers. Well done. A big game from Teigan as well with some good court work and nice goals.
10	14B				
11	14B	St Michaels	defeated		We didn't work as a team and support each other! It is very important to come in front. Every time we lobbed the ball, the other team got an easy intercept and raced down the other end and scored a goal. Lets get the bad games out of our system now, and win for the rest of the year! AMAZING game Emily. The second half your player hardly touched the ball!
12	14D	Winston Hills	37	9	Each and every player played their best today, our shooters were great and defence did so well and everyone did some great intercepts. We had fun and got a good result, well done girls, keep it up
13	13D	Winston Hills	9	28	Although the girls lost this week they put in a terrific effort. Romy and Emilia have settled in well and put in a great effort in centre court. Tayla & Urvashi were tireless in defense while Mithra & Alex did a fantastic job of moving the ball up and down the court. Amanda & Kate did a good job in goals but the defence were just too good!

14	11B	Baulkham Hills	10	5	Great game this week girls. It was thoroughly enjoyable to watch with all the girls trying their hardest. Fantastic intercepts and defence by Paige and Caitlin who got us lots of turn overs. Great breaking and movement through the court by Miren, Anna and Jess and fantastic shooting by Courtney and Georgia. Make sure you all keep breaking in front of your players and throwing the ball in front. Congratulations on such a great first game of netball Jess! Sarah Carman
15	10B	St Bernadettes	22	2	A great game girls. It was lovely to see you moving the ball down the court how we had practised at training. We still need to spread out a little more at times. Once again we had great defence and shooting. Our centre court players were picking up loose balls and intercepting.
16	10C	OLOL	5	7	The team played much better this week, although still bunching up a little and you need to keep moving. Great defence by Yasmin, Emma and Grace. Good shooting from Kate, Amy and Angela. The two Alannah's and Zoe did a good job in the centre court. Let's continue to improve!
17	9 Koalas		2	7	Great game girls! We improved so much from last week! We had the ball up our end so much, but unfortunately the ball just wouldn't go in! We will just have to try harder next week! Well Done everybody!!!!!!!!!!
18	8 yo	Winston Hills	3	1	A good win girls, you tried hard. Natasha and Alicia played well as centre. Breanna and Ainsley's defence and intercepts in the circle were great. Gabby stayed with her player and stopped her from getting the ball. Brooke picked up the loose balls and Laura and Lara moved into a space and shot well.
19	8 yo	Winston Hills	22	0	Great match by Gazelle 19s. The team had a boost of confidence scoring 7 goals to 0 in the first quarter, and just continued on a roll to score an amazing 22 goals to win the match. All the girls played strongly putting into action great ball handling skills, defence work and goal shooting. Well done girls and keep up the great work for our next match.
20	7 yo	Winston Hills	defeated		If the score had been based on smiles, then we would have won by a million!! Unfortunately, however, our enthusiasm alone did not get that pesky ball through the ring - but we never gave up trying and all enjoyed our first game ever. Thanks to Sandy for her endless patience in umpiring us! This week's gold trophy for 'Star of the Week' went to Charlotte for her great work in the goal circle (oh, so close to scoring!) and silver trophy to Emmalise for some great defending.
