

# About NetSetGO!

**San Remo NetSetGO!** is Netball Australia's Junior Netball Program. It has been developed to provide children from the age of 5 to 10 years with the best possible learning and playing experience that enables them to develop a positive introduction to Netball, ensuring enjoyment and continued participation within the sport.

**San Remo NetSetGO!** incorporates skill activities, minor games and modified matches in a fun and safe environment. The weekly program will be coordinated by accredited coaches to ensure a quality experience for all participants.

## **The major objectives of San Remo NetSetGO! are:**

- To provide opportunity for every primary school-aged child with the opportunity to experience netball.
- To deliver a national junior development program that promotes netball participation.
- To address the issue of childhood obesity by providing a low cost, easily accessible and community-based exercise option.
- To provide opportunity to meet and interact with elite netball role models.
- Provide a skill development program that provides young girls with opportunity to experience sport, develop self esteem and learn new skills.
- To provide opportunities for children and parents to participate in physical activity together.

The program has been designed to complement the existing netball infrastructure by providing community groups such as Associations, Clubs and schools with quality resources and equipment to deliver an age and skill appropriate netball program.
