**Please be punctual for your
timeslot.**

Gazelle Polar Fleece Jumpers

We now have in stock the new Gazelle Polar Fleece Jumpers at a low cost of \$18.00. They are available in kids sizes 10, 12, 14 and adult sizes small, medium, large and extra large. Perfect for cold winters days for both players and supporters! Sandy will be at the Gazebo on Saturday with jumpers available for purchase.

Umpiring

Another great day of Umpiring in Week 5. Thanks to Sue Skinner, Tegan McNeil, Sam Bailey, Caitlin Gilchrist (1st game for the season – well done), Eliza Fuger, Nicole Skinner (1st game ever! Job well done.), Alex Anson 11F & 8's, Emma Simpson, Ashley Percossi, Cassie Johnson, Alayna Argent, Sofie Parle. Alayna and Cassie had a very rough 14C game and it was Cassie's second game, both girls did a great job with difficult circumstances. Thanks to Sandy who offered some support to both girls. Also, thank you to Kristin & Sofie Parle and Sue Skinner who supported some of the less experienced umpires and offered some coaching and tips.

Anyone who would like more games please let me know and I will try to get some extra games from other clubs, the roster for the remaining 7 weeks of the season will be on the website next week and I will also email all umpires. Please check your allocations and let me know if you are unable to fill any.

Rule Books \$12 and Whistles \$8 are available from the Canteen at Kellyville on a Saturday.

Level 1 Accreditation course is on offer in July, either Sunday July 20 or Sunday July 27, the cost is \$35 and the spots are limited. This level is mandatory for a National C badge and as a few of you will be ready for this level next season you

should consider doing this course. Please email your response by Wednesday 21 May as I have to submit the forms by end of May with payment.

Umpire Tip of the Week.

Obstruction is within 3 feet of the landed foot, therefore if the back foot is landed first then it is 3 feet from this point and not the front foot.

Remember basic hand signals – indicate direction of pass by arm pointed in direction of play. Stepping – Moving hands up and down 3 times.

Jenni Anson Junior Umpire Convenor
