

2011 - Week 10

Gazelles Gazette

TEAM PHOTOGRAPHS WILL BE ON SATURDAY 30TH JULY, 2011

The envelopes will be in the crate at the Gazebo on Saturday 16/7 for team managers to collect and distribute to their team. They are to be handed in on photo day with the correct money. \$15 each photo.

CONGRATULATIONS

To **Kathryn Thew** for receiving an EAP Green scholarship from the NSW Institute of Sport (NSWIS). Kathryn played with Gazelles from a young junior and is this year playing in the BHSNA Division 1 State League Team. Well done Kathryn!

NIGHT INTERDISTRICT TRIALS

Will be held towards the end of July. BHSNA will also be calling for nominations from Coaches and Managers. Further information will be provided as soon as it's received.

KELLYVILLE COMPLEX

Parents are reminded that children need to be supervised while at the Kellyville complex. They should not be allowed near the toilets or carparks without adult supervision. They are not allowed in the garden beds and are to refrain from climbing the wire fences. Bikes, scooters, skateboards, rollerblades, dogs and footballs are not to be brought into the complex. All of these items are hazards to players, visitors and umpires/coaches. Please remember that your fees pay for fencing, gardens, toilets etc and if they are damaged, the repair bill will also come from your fees.

BORROWING PLAYERS

Continues to be an ongoing issue with BHSNA. If borrowed players are not recorded correctly on the scoresheet (ie included where the players are listed AND in the borrowed players box in the bottom left hand corner), points will not be allocated for that game until it has been rectified. Coming up to finals it is imperative that you check whether a player can be borrowed or not as it could mean the difference between you making the finals or not if you lose points. Please see Kristin Parle or Jane Relyea to confirm who is allowed to play in your team. Scoresheets are to be completed in blue or black ink.

Netball NSW Masters Event

Will be held 22 and 23 October at the Anne Clark Centre in Auburn.

There are three categories - Over 35s, Over 40s and Over 45s at the cost of \$80 per player. Entries close Friday, 26 August.

Registration forms are available at the Netball NSW website

Round 10 - 25 June, 2011

TEAM	Opponent	Score	Comment
7's	St Pauls	Win 5-0	How exciting to have your second win for the season. Danielle and Jade were super shooters. Alyssa, Chloe and Mackenzie were dazzling defenders. Paige, Pari and Mia were champion centre court players. Our very deserving player of the week was Danielle.
8's Wattle	Winston Hills	Loss 11-0	The girls tried so hard this week. They all defended really well, but Winston Hills just had some more experienced players. Heidi and Portia were great in their attacking positions and Lilliana shared Centre with Samantha, and they both put in a really good effort. Grace, Chloe & Lillian also worked really well in their defending positions. All in all it was a tough match. Player of the week was awarded to Lillian for her great effort as GK. Congratulations Lillian!
8's Banksia			
9's Possums	RAMS	Loss 7-6	Another close game with us almost catching up from behind. Amy played well finding open spaces, Georgia's defence was impressive, Sylvie and Diya did some great intercepts and Rebeka and Ava scored some great goals. Helena and Maddy were good in centre court too.
10 B's	St Pauls	Win 18-3	A great game played by all of you. Excellent breaking and passing by Imogen, Annica and Jasmine, fantastic defence from Vani and Madison. Saleah read the play really well and intercepted many passes into the opponent's goal circle. Chloe and Georgia worked really well in the circle together and shot some beautiful goals. A fantastic effort from all of you, we still need to work on being in the correct position when the ball is coming down the court so avoid bunching up, and not breaking too early so you don't have to work so hard to keep the ball moving down the court. Keep up the great work 10B's.
10 D's	RAMS	Win 10-8	
11A's	Castle Hill Sport	Loss 17-13	WOW what a game. We will call it a win. We were up by 1 goal in the last quarter, unfortunately a couple of mistakes led to a couple of opposition goals. However, fantastic defence work in the circle zoning out the shooters. Centre court play was great and there were some lovely intercepts. Our goal shooting has improved too. Well done girls.
11D's	Model Farms	Win 12-11	
11F's	Model Farm	Win 11-0	Another great game after a messy first quarter you all concentrated on your passes and spread out. Well done Rachel and Siobhan, playing your first games as shooters and both scoring goals! Fabulous defence by Jess all game.
12D's	RAMS	Win 19-6	
13A's	Glenwood	Loss 38-26	
13B's	Model Farms	Loss 23-9	
14C's	Glenhaven	Loss 32-21	

Round 10 - 25 June, 2011

TEAM	Opponent	Score	Comment
Cadet C3	Impalas	Loss 39-20	
Cadet C1	Glenwood	Loss 41-23	Due to a timeslot mixup, you took the court with only 6 players for the first 1 1/2 quarters. To be only down by 5 goals at 1/4 time was a testament to your spirit. You were still only down by 11 at 1/2 time and were in the game but unfortunately, all the effort you expended in the first half left you with little in reserve for the second half, even with 7 players.
Cadet B1	Glenwood	Loss	Not much to say about this game! It was never going to be pretty with 4 of our players away in the same week. Thank you so much to Ellie and Katherine for playing for us this week. You were both fabulous and helped us keep the score down. Thanks!
C Reserve 2	Oakhill Drive	Loss 30-27	We finished the second round of the competition with two solid performances against teams above us on the ladder. Significantly we reduced our losing margins in both rounds 9 and 10 in comparison to the corresponding matches in rounds 4 and 5, indicating if we put together 4 good quarters we are capable of beating a team in front of us. We started the first quarter determinedly and had a two goal advantage at the first break. However our second and third terms were characterised by sloppy passing and a failure to play in front of our opponents, who had a fiercer desire for the ball. Down by 7 goals at the last change, coach Judy asked for a big last quarter effort which the girls gave closing the gap to 3 goals and finishing all over the top of our opponents. Our last two matches have not resulted in wins but we have won 5 of the 8 quarters which shows our best is capable of matching it with the leaders.
B Reserve (8)	Gazelles (10)	Win 36-27	
B Reserve (10)	Gazelles (8)	Loss 36-27	
A Reserve	Glenhaven	Win 57-32	
C3	Glenhaven	Loss 38-16	
C2	Cougars	Win	
B4	Castle Hill Sport		A disappointing loss after being so close all game. Amazing shooting as always by Karlie kept us in contention. Fantastic work by Alyssa from the Cadets who played brilliantly. Thanks for filling in for us!
B3 Team 2	OLOL	Win 61-32	
B3 Team 3	OLOR	Win 37-20
