Round 9 - 18 June, 2011

TEAM	Opponent	Score	Comment
7's	Oakhill Drive	Loss 7-3	The score this week doesn't show how closely matched both teams were. Unfortunately, Oakhill had some very lucky shots that went through the goal ring whereas ours didn't. You all did really well and any of you really could have been awarded Player of the Week. This week though, very deservedly after playing her best game yet, the Player of the Week was Pari.
8's Wattle		Loss 6-1	Great game girls, you are improving every week. This week we saw great defending by Antonia and intercepting by Chloe . Good marking by Portia and catches by Sienna . Excellent intercepting by Heidi and Lilly . Good rebounds by Sami and catches by Lilliana who's opponent was a whole head & shoulders taller! And last but not least a fantastic goal by Grace . Oranges made big difference in second half, think we will have them every quarter!
8's Banksia	Impalas		
9's Possums	OLOR	Win 6-2	Great game girls, we definately dominated the court for most of the game. We struggled with our shooting though but always managed to get it back down our end for another attempt. Well done!
10 B's	North Rocks	Loss 17-10	Another tough match this week playing the second team on the ladder, but you all tried really hard and gave them a good challenge for the first half. Abi and Vani defended in goals fantastically with many intercepts and goal misses by their shooters. We all looked a little tired in the third quarter and the match kind of ran away from us, but they were a very strong team and we need to be a little more "hungry" for the ball. Well done for not giving up girls and you are all still smiling at the end, good stuff 10B's :-)
10 D's	OLOR	Loss 9-1	
11A's		Bye	
11D's	Glenhaven	Win 9-4	A less than convincing win after a very obvious week off. Lets work hard at training this week and get back to our usual standard of play to face much tougher opponents next week.
11F's	Castle Hill Sports	Loss 16-5	A good game by all against a very tall team! We need to remember to break in front rather than try to throw over the top. Fabulous game today by Rachel who was all over the court passing and intercepting well.
12D's	Glenwood	Win 18-7	After a slow first half and a slight scare you picked up your game, improving passes and driving onto the ball - producing a convincing win. Congratulations to Anna, Player of the Week, for her contributions and team spirit.
13A's		Bye	
13B's	St Bernadettes	Win 18-13	What a game!! Congratulations on a fabulous game and the first win of the season. Girls you have pulled it together and were working really well as a team. Great intercepts, excellent pressure in the defence, great shooting and improved moving the ball down the court. We still have room for improvement but i am sure that you will continue to work on your passing and staying on your own side of the court. Great job girls - we are really proud of playing your hardest every week.
