|------|----------|---------------|-------|----|--|
| 1 | A1 | | | | |
| 2 | B1 | Winston Hills | 24 | 47 | A tough game against the leaders of the comp. We had a bad start when the game started 5 mins early and we were two players short. We managed to re group for the next two quarters and played some good netball. Unfortunately they had our measure and romped away in the end. |

| 8 | 15B | St Pauls | 33 | 26 | Started the 1 st quarter very fast- 8 ahead, the game settled and the opposition caught up. The change over in the goal circles with shooters and defence worked well. Georgia played well in both shooting and defence as did Jamie who was covering everything – well done girls. Nicole had an awesome defence game, intercepting a number of passes. The centre third with Alayna, Alex & Little Alex interchanging also worked well – great stamina girls. The game started to get away from you with a few silly passes and mistakes but you all settled and played awesome AGAIN. Undefeated with the highest goal average to date. Keep up the great team work. POM Nicole. |

| 10 | 14B | St Michaels | 16 | 29 | We had a low scoring quarter to start with and kept close scores to this fast pace St Michael's team. We had lots of possession with great defence and great shooting. St Michaels may have been the better team today but the determination from the team to keep at them and wear them down was impressive. A good effort girls! |
| 11 | 14B | | 7 | 42 | What an awesome first 5 min! If we could play like that for the rest of the game, we would be unbeatable! We still need to come forward, and offer options. We also need to break harder and faster, and stop wasting energy just dancing around! Good game Jess, coming on the second half. |
| 12 | 14D | Tangara | 11 | 21 | We played yet another good game today, unfortunately we had a loss. However each girl played their best, despite having 1 less player. Well done girls, keep having fun. |
| 13 | 13D | Gilroy | 5 | 16 | After an extremely well played game last week the girls all backed up again this week and won due to everyone playing a fantastic game. Mithra and Kate had a great shooting game while Tayla and Urvashi did a fantastic job in defence. Alex, Romy and Emilia had a terrific game in centre court. |

| 14 | 11B | OLOR | 2 | 47 | We got slaughtered this week. There was nothing we could have done to prevent this. In all honesty, the other team did admit that they should have been an A-grade team and they proved that in how they beat us. Our girls showed great sportsmanship by continuing to fight till the end. Great try, better next time. |
| 15 | 10B | North Rocks | 6 | 20 | It was a good result but it wasn't our best game. There was lots of stepping and silly passes. But on the positive Stevie, Ella and Georgia all shot beautifully. Jordan started to use a new zoning technique in defence and Keirena was everywhere in the centre court. |
| 16 | 10C | Tangara | 2 | 9 | A much better game girls. Get in front of your players and throw lovely strong passes. This week lets work towards our goals! |
| 17 | 9 Koalas | Glenwood | 2 | 12 | Well, this game definitely proved that we play too early in the morning, as no one seemed to be awake yet!! Towards the second quarter the girls had mostly woken up, and we continued to improve into the fourth quarter! Excellent defence by Honore, Natalia and Ashleigh. And Very good centre court work by Anna, Zoe and Maddison. Well done Shayla for playing centre! And good shooting by Emma! Our player of the week this week was very hard to choose, but Ashleigh got it!!! Congratulations!! |
| 18 | 8 yo | Baulkham Hills | 5 | 14 | Great game girls. You all played very well. We were moving the ball down the court nicely and moving and shooting in the circle well. We did tend to be in a bunch at times. Player of the week was Gabby for her lovely intercepting. |
| 19 | 8 yo | | | | |
| 20 | 7 yo | Glenhaven | 1 | 7 | A great game against an undefeated team - the final score did not reflect our quality of play. You all did a superb job! Considering none of the girls had played a single game until a few weeks ago AND they all play 2 positions each week, it is amazing to see how far they have all come in such a short time - we are so proud of you! This weeks gold "star of the week" trophy went to Imogen for FANTASTIC play ALL game, and silver to Laila for her smiling face this week |
