2	B1	OLOR	39	30	A good win for us this week against our old foes OLOR. Everyone played well even though it was almost dark by the time we finished! Thanks to everyone who sang happy birthday to me at the tops of the lungs in the middle of the court prior to play, I really appreciated that!

6	B Res 1				
7	C Res 3		8	39	We had only 7 players so it was a valiant fight to a stronger team on the day. All the girls played hard and many of them played different positions and did well in each one. Many thanks for the parent's support.
8	15B	Baulkham Hills	44	35	Great game girls, good team effort by all! Tight game but we came home strong in the end.. Good shooting by our 3 star shooters!! Still undefeated, well done!

10	14B	Baulkham Hills	25	15	Our first win girls! Fantastic effort. We had a fantastic first quarter leaving the other team scoreless and giving us a solid lead that carried us through the game. We showed some solid defence with Ashley, Morgan, Alyssa and Abbey. Emily had a great game with accurately shooting supported by Rebecca and Tegan. We saw the ball carried through the centre court with lots of speed from Bronte and Nicole. Well done girls on your win today!
11	14B	Baulkham Hills	6	32	Not a bad effort today. We need to keep our eyes up and watch for the second pass in the circle. Our shooters also need to move more and help the ball make it into the circle. Good game at center Emily.
12	14D	Glenwood	23	16	An excellent game, we were drawing in the first quarter, losing in the second and winning in the last two. We had a full team this week and each player put in their best, our shooters were great, our attack was excellent and our defence was amazing. Keep it up girls, you are playing so well.
13	13D	Impalas	15	19	A great game played by everyone. Unfortunately the Impalas were just ahead. Improving each week, looking forward to next Saturday.

14	11B	Castle Hill	7	7	An awesome match today, and although we so much wanted to win, both sides were so equal that the only fair outcome was a draw. Their defense game was like having a team full of Paiges! Anna was flying in centre court and really shun. If we had a player of the day, today it would be Anna. And our other centre court player, Danielle, turned out to be a great shooter, well done Danielle on all those goals. Girls, you all played to the best of your ability and gave it your all and you should be very happy with the result. Keep up the good work coaches Sarah and Rachel!!
15	10B	OLOR	25	4	Great game girls. You all did exactly what was asked of you and there was very only 2 steps for the WHOLE game. Fantastic!
16	10C	OLOR	7	9	A much better second half girls. Keep working hard.
17	9 Koalas				
18	8 yo	Kenthurst	3	3	Not our best game. We need to spread out more and not stand still until we catch the ball. The most important thing is for our shooters to move into the circle so we can shoot goals. Better luck next week.
19	8 yo	North Rocks	12	6	Great game played against North Rocks, resulting in a win to Gazelle (19) 12 to 6. Well done girls in passing the ball down the court, excellent goal shooting and defence. Lets see if we can keep the winning streak up for next match!
20	7 yo	OLOR	9	3	What can we say this week.....OUR FIRST WIN.....Yippeeeeeee!!! For a team who had only scored 2 goals all season up until now, 9 goals in one match was just amazing! Well done everyone - win or lose you all play with such enthusiasm each week, so to come off with a win at last was well deserved. Congratulations to our "Stars of the Week", Emma (gold) and Chantal (silver).
