2	B1	BYE			The B1 team had a bye last week so that's 2 points to us!

4	B3	Castle Hill Sport	35	33	Fantastic to report a win for our side. Every player that took the court added value to our game. We are making progress in our state of play and look forward to bigger winning margins in our upcoming games. Fantastic centre court improvement and great goal shooting displayed on the day. We had too many great moments to single out one star player. Well done team.

10	14B	OLOL	27	28	What a fantastic and exciting game. Every quarter was a close one and the final result could have easily gone our way. All the girls played their hardest and never gave up fighting for that elusive win. An outstanding game by our defence Ashley and Morgan. The shooters, Rebecca, Tegan and Emily were spot on and our centre court players Alyssa, Briony and Nicole gave 110%. Well done girls. A win is definitely on the way if you keep up that performance!
11	14B		9	32	Great game girls, shame about the second half, but you all played really well! You worked together as a team, and it seems things from training have finally started to sink in. We now need to focus on our footwork, and making sure we are balanced before throwing the ball. We also need to make stronger drives and harder passes; we are giving the opposition too much opportunity! Let's have an even better game next week!
12	14D	OLOR	18	12	It was a nerve racking fourth quarter, with one player down and the other team becoming a bit aggressive, but each of the girls kept up their defence and played exceptionally well, while still enjoying themselves. Thanks girls for all the effort, your playing really well.

14	11B	Winston Hills	18	10	Great game girls! You kept us in suspense right up to the last quarter. Courtney and Miren, great team work and nice scoring. Anna, nice work on centre court today, although which way is the game played? Oeps! Maria congratulations on your first game and welcome back. You worked well as a team today and the win was well deserved, keep it up girls.
15	10B	Glenhaven	22	13	What a fantastic game! It was fast and it was tough. You all played well and didn't back off. You moved the ball down the court well, moving into spaces and spreading out. Jordan and Sophie played brilliantly in defence intercepting and containing their opposition. Elysia was quick to pick up the loose balls. In the fourth quarter our passing let us down and they took advantage of this by scoring 3 fast goals. Stevie, Ella and Georgia worked hard in the circle and scored some amazing goals. As always Keira and Jess were great in the centre court.
16	10C	Tangara	1	6	You started off well girls. Our first half was good, but we allowed them to get away from us in the second half. We need to concentrate on moving into a space and stronger passes.

18	8 yo	OLOR	6	5	Well done. You are beginning to pass the ball down the court by moving into spaces and not standing still in a bunch. Jamie and I are very proud of you. We need to learn to break in front of our players and run into the circle so that we can shoot lots of goals. Brooke had a good game as centre and Laura, Natasha and Alicia played well in defence. Gabby scored her First Ever Goal and Lara and Breanna saved the day with 4 goals in the last quarter.
19	8 yo	Glenwood	8	1	Gazelle 19s had another successful match on Saturday, winning 8 to 1 against Glenwood 34. Once again the team played really well together.
20	7 yo		1	3	Another fun game and we scored our first goal for the season - well done Emmalise! Everyone tried SO hard and we are getting better every week - keep smiling girls! This week's gold 'Star of the Week' trophy went to Sarah, and silver trophy to Emma.
